#### Announcements.

CONGRESS.  
The friends of Rowland C. Burns beg to announce that he is a candidate for Congress in this district in 1902, subject to the action of the Republican party. He believes that a mountain man is as good as any one.

The German Emperor's yacht Meteor was successfully launched at Shooter's Island in the presence of President Roosevelt, Prince Henry and a great crowd. Miss Alice Roosevelt christened the yacht. Before the launch which followed on the Hohenzollern the Prince presented to Miss Roosevelt the Emperor's gift, a gold bracelet with the Emperor's portrait in diamonds.

The Rivers and Harbor bill will be reported within a short time now, and it is hoped to get through early. We are particularly anxious that it should become a law early enough to make it practicable to let the contract for the dams below Louisville in time to have them completed this season. This would give us the use of the river one season sooner, and the advantages of the pool to contractors in building the four locks and dams above here would enable the government to contract the work several thousand dollars cheaper than otherwise.

The House Committee on Judicial redistricting has decided upon a Circuit Court district to be composed of Lawrence, Johnson, Magoffin, Morgan and Elliott. In the Senate, Mr. Pritchard is working to retain this district just as it is at present. The House committee also makes a district of Pike, Floyd, Knott and Martin counties. Boyd county is to be put in a district with Carter, Greenup and Lewis.

A new legislative district is to be composed of Lawrence and Elliott. Senatorial, Boyd, Lawrence, Johnson and Martin.

There is also some probability of Lawrence county being added to the Tenth Congressional district. As the Legislature is drawing almost to a close all these matters will have to be settled within the next few days.

Mr. W. W. Baker, of Plainview, Neb. writes: "My wife had little trouble for over 15 years. We tried a number of doctors and spent over a thousand dollars without any relief. She was very low and I lost all hope, when a friend suggested trying Foley's Honey and Tar which I did, and thanks to this great remedy it saved his life. She is stronger and enjoys better health than she has ever known in ten years. We shall never be without Foley's Honey and Tar and would ask those afflicted to try it." Sold by A. M. Hughes.

Recovered Speech and Hearing.

The following is taken from the Hamilton (O.) Register:  
Martin Edward Westlake, born at Hamilton, Ohio, February 10th, 1880, and died at Laey, Oklahoma Territory, January 15th, 1902, aged 21 years, 10 months and 27 days.

Of his early life, which was spent in Hamilton, mention need not be made, as all knew him. He enlisted in the 33rd U. S. V. I. in September, 1899, at White House, Ky., and as a private served in the Philippines until March, 1901, when he was returned on the hospital ship and ministered out, having lost his health in the service. Concerning his army record his lieutenant wrote a sister, stating that he was a model for young men, both as a man and soldier, and that he spent the greater part of his spare time at the Y. M. C. A. tent. His captain later wrote this same sister, when inquiry was made regarding his health, that he was sick, but he hoped not seriously, "for the service," he added, "could ill spare such a soldier," and also informing her that she had a brother to be proud of—one whom all loved and respected, and that he had sacrificed his health for his country.

He returned of Kentucky and seemed to improve, but a change of climate was advised and he went to the Southwest, where he died of hemorrhage of the lungs. While not a member of any church, he was a young man who revered all that was good, had not a single bad habit, was ever thoughtful of others, putting self aside, so much so that he would try to hide his illness to spare those he loved any worry over him and made every effort to bear up cheerfully during his entire illness, never complaining.

He leaves two sisters to mourn the loss of a brother, who was a brother, indeed, to follow a father, mother and sister, who passed on before him. All whom he knew were friends, as he made no enemies. The remains reached Hamilton at noon on Monday and the funeral was held at 2 o'clock the same day at the Presbyterian church. The Rev. Geo. S. Miller conducted the service, assisted by the Rev. E. J. Paces. The sermon was from the words: "And we all do fade, as a leaf."—Is. Lxv. 6. Interment was in Hamilton cemetery.

Harvey Jobe Jr., will return to his home on Twin Branch unless he buys a home here somewhere. The religious cyclone which has been sweeping the entire "Sandy Valley" for some months has at last struck our town and is moving with that power which is so unusual in many places. The work began on the night of the 11th inst, and up to this writing six conversions, with a score of penitents, and a general revival among all the church members. Much and lasting good is being accomplished. The work is in charge of Rev. G. W. Howes, assisted by Revs. Copley, Thompson, Rice and Sisters Finner and Adams.
